Title: NRC Public Meeting with the Nuclear Energy Institute (NEI) to Discuss DG-1290 "Design Basis Floods for Nuclear Power Plants" and DG-1417, "Guidance for Assessment of Flooding Hazards Due to Water Control Structure Failures and Incidents"

Date(s) and Time(s): September 9, 2024, 10:00 am to 12:00 PM Eastern daylight time

Location: Teleconference, HQ-OWFN 1F-23

Category: This is an Information Meeting with a Question and Answer Session. The purpose of this meeting is for the NRC staff to meet directly with individuals to discuss regulatory and technical issues. Attendees will have an opportunity to ask questions of the NRC staff or make comments about the issues discussed throughout the meeting; however, the NRC is not actively soliciting comments towards regulatory decisions at this meeting.

Purpose: The purpose of this public meeting is to share information regarding draft guides DG-1290 "Design Basis Floods for Nuclear Power Plants" and DG-1417 "Guidance for Assessment of Flooding Hazards due to Water Control Structure Failures and Incidents." It is intended to provide interested stakeholders an opportunity to share their perspectives.

The NRC provides reasonable accommodations to individuals with disabilities where appropriate. If you need a reasonable accommodation due to a disability to participate in a meeting or need a meeting notice or the transcript or other information from a meeting in another format (e.g. braille, large print), please email Reasonable_Accommodations.Resource@nrc.gov. Determinations on requests for reasonable accommodation will be made on a case-by-case basis and the agency may choose between effective accommodations to provide. At least ten (10) days advance notice is recommended in order for a request for accommodation to be processed and implemented if approved. However, every effort will be made to address any reasonable accommodations requests received with less notice.
