Title: Meeting with Arizona Power Services Company (APS) to Discuss a Planned Alternative Pursuant to 10 CFR 50.55a(z)(1), Related to Pressurizer Thermowell Nozzle Repairs for Palo Verde Nuclear Generating Station, Unit 1.

Date(s) and Time(s): September 20, 2024, 01:00 PM to 02:00 PM ET

Location: Webinar

Category: This is an Observation Meeting. This is a meeting in which attendees will have an opportunity to observe the NRC performing its regulatory function or discussing regulatory issues. Attendees will have an opportunity to ask questions of the NRC staff or make comments about the issues discussed following the business portion of the meeting; however, the NRC is not actively soliciting comments towards regulatory decisions at this meeting.

Purpose: The purpose of the meeting is for Arizona Power Services Company (APS) and the U.S. Nuclear Regulatory Commission (NRC) to discuss APS's planned alternative for the life of the plant pursuant to 10 CFR 50.55a(z)(1), related to pressurizer thermowell nozzle repairs completed at the Palo Verde Nuclear Generating Station, Unit 1 during 2023 fall refueling outage.

Docket No: 05000528

Comments: Interested members of the public can participate in this meeting via video conference or telephone conference. Microsoft Teams is the video conferencing platform that will be used for this meeting. The meeting times correspond to the Eastern time zone. For additional details, please call the NRC meeting contact listed on the NRC public meeting notice or call the NRC's toll-free number, 1-800-368-5642, and ask the operator to be connected to the meeting contact, William Orders.

The NRC provides reasonable accommodations to individuals with disabilities where appropriate. If you need a reasonable accommodation due to a disability to participate in a meeting or need a meeting notice or the transcript or other information from a meeting in another format (e.g. braille, large print), please email Reasonable_Accommodations.Resource@nrc.gov. Determinations on requests for reasonable accommodation will be made on a case-by-case basis and the agency may choose between effective accommodations to provide. At least ten (10) days advance notice is recommended in order for a request for accommodation to be processed and implemented if approved. However, every effort will be made to address any reasonable accommodations requests received with less notice.
