Title: Pre-submittal Meeting with Dominion Energy regarding a planned license amendment request for North Anna Power Station and Surry Power Station to revise selected Alternate Source Term Dose Consequence Analyses.

Date(s) and Time(s): October 16, 2024, 09:30 AM to 11:00 AM ET

Location: NRC One White Flint North, OWFN-9-B4
11555 Rockville Pike
Rockville, MD

Category: This is an Observation Meeting. This is a meeting in which attendees will have an opportunity to observe the NRC performing its regulatory function or discussing regulatory issues. Attendees will have an opportunity to ask questions of the NRC staff or make comments about the issues discussed following the business portion of the meeting; however, the NRC is not actively soliciting comments towards regulatory decisions at this meeting.

Purpose: The meeting is to discuss a license amendment request to be submitted by Dominion Energy that would revise the dose consequences analysis timeline assumptions as a result of industry OE regarding the potential for a stagnant loop following an Main Steam Line Break.

The NRC provides reasonable accommodations to individuals with disabilities where appropriate. If you need a reasonable accommodation due to a disability to participate in a meeting or need a meeting notice or the transcript or other information from a meeting in another format (e.g. braille, large print), please email Reasonable_Accommodations.Resource@nrc.gov. Determinations on requests for reasonable accommodation will be made on a case-by-case basis and the agency may choose between effective accommodations to provide. At least ten (10) days advance notice is recommended in order for a request for accommodation to be processed and implemented if approved. However, every effort will be made to address any reasonable accommodations requests received with less notice.
