Subject: Kairos Power LLC
Presentation Materials for Pre-submittal Meeting Regarding Operator Training and Testing Program for KP-FHR Test Reactors Topical Report

This letter transmits the presentation slides for the September 27, 2024 pre-submittal meeting regarding Kairos Power's operator training and testing program for test reactors topical report. During the September 27 meeting, participants will discuss the Kairos Power operator training and testing program topical report. The discussion will also include the associated exemption request of 10 CFR 55.40(d) to allow Kairos Power to self-administer the operating examinations.

The enclosure provides the non-proprietary slides for the September 27, 2024 briefing. Kairos Power authorizes the Nuclear Regulatory Commission to reproduce and distribute the submitted content, as necessary, to support the conduct of their regulatory responsibilities.

If you have any questions or need any additional information, please contact Rachel Lynch at lynch@kairospower.com or (704) 756-8349 or Darrell Gardner at gardner@kairospower.com or (704) 769-1226.

Sincerely,
