

PUBLIC MEETING ANNOUNCEMENT

Title: Advanced Methods of Manufacturing and Construction - ADVANCE Act - Section 401

Date(s) and Time(s): September 30, 2024, 01:00 PM to 04:00 PM ET

Location: Webinar

Category: This is a Comment-Gathering Meeting. The purpose of this meeting is for NRC staff to meet directly with individuals to receive comments from participants on specific NRC decisions and actions to ensure that NRC staff understands their views and concerns.

Purpose: The purpose of this meeting is to solicit external stakeholder input to support the development of the NRC report that will be submitted to Congress related to advanced methods of manufacturing and construction for nuclear energy projects, as described in Section 401 of the ADVANCE Act (<https://www.congress.gov/bill/118th-congress/senate-bill/870/text#H5EA28D5AD279483FBE5BF42E455CEF9E>). This meeting will be recorded to ensure that all the comments made during the meeting will be captured and summarized appropriately for the meeting summary and the report.

The NRC provides reasonable accommodations to individuals with disabilities where appropriate. If you need a reasonable accommodation due to a disability to participate in a meeting or need a meeting notice or the transcript or other information from a meeting in another format (e.g. braille, large print), please email Reasonable_Accommodations.Resource@nrc.gov. Determinations on requests for reasonable accommodation will be made on a case-by-case basis and the agency may choose between effective accommodations to provide. At least ten (10) days advance notice is recommended in order for a request for accommodation to be processed and implemented if approved. However, every effort will be made to address any reasonable accommodations requests received with less notice.
