

PUBLIC MEETING ANNOUNCEMENT

Title: Meeting to Discuss the Nuclear Regulatory Commission's (NRC) 2023 Annual Assessment of Safety Performance at Comanche Peak Nuclear Power Plant

Date(s) and Time(s): November 21, 2024, 12:00 PM to 01:00 PM CT

Location: Barnard's Mill
307 SW Barnard St.
Glen Rose, TX

Category: This is an Information Meeting with a Question and Answer Session. The purpose of this meeting is for the NRC staff to meet directly with individuals to discuss regulatory and technical issues. Attendees will have an opportunity to ask questions of the NRC staff or make comments about the issues discussed throughout the meeting; however, the NRC is not actively soliciting comments towards regulatory decisions at this meeting.

Purpose: The NRC will present and be available to discuss its assessment of safety performance at Comanche Peak Nuclear Power Plant during calendar year 2023, as described in the attached 2023 annual assessment letter. NRC resident inspectors will be available to answer questions about the safety performance of the station and the NRC's role in ensuring safe plant operations.

Contact: John Ellegood

Participants: NRC External
John Ellegood, Region IV Public
Henry Strittmatter, Region IV

Docket No: 05000445
05000446

If you need a reasonable accommodation due to a disability to participate in this meeting or need meeting materials in another format (e.g. braille, large print), please email Reasonable_Accommodations.Resource@nrc.gov. Determinations on requests for reasonable accommodation will be made on a case-by-case basis and the agency may choose between which effective accommodations to provide. At least ten (10) days advance notice is recommended in order for a request to be processed and implemented if approved. However, every effort will be made to address any reasonable accommodations requests received with less notice.

If you have difficulty understanding and/or communicating in English, free language assistance or other aids and services may be available, upon request. Please email lepresources@nrc.gov. Determinations on requests will be made on a case-by-case basis. At least ten (10) days advance notice is recommended in order for a request to be processed and implemented if approved. However, every effort will be made to address any reasonable accommodations requests received with less notice.
