Title: Pre-submittal Meeting with Disa Technologies, Inc., to Discuss an Upcoming Application for a Source Material License to Remediate Abandoned Uranium Mine Waste

Date(s) and Time(s): December 13, 2024, 01:00 PM to 04:00 PM ET

Location: Webinar

Category: This is an Observation Meeting. This is a meeting in which attendees will have an opportunity to observe the NRC performing its regulatory function or discussing regulatory issues. Attendees will have an opportunity to ask questions of the NRC staff or make comments about the issues discussed following the business portion of the meeting; however, the NRC is not actively soliciting comments towards regulatory decisions at this meeting.

Purpose: The purpose of this meeting between the U.S. Nuclear Regulatory Commission (NRC) staff and Disa Technologies, Inc., (Disa) is to provide information to the NRC staff regarding a potential application for a performance-based, multi-site source materials license to use its High-Pressure Slurry Ablation technology to remediate abandoned uranium mine waste.

Contact: Christopher Grossman

Participants:	<u>NRC</u>	<u>External</u>
	Office of Nuclear Material Safety and Safeguards Office of the General Counsel Region IV	Disa Technologies, Inc.

Teleconference: Interested members of the public can participate in this meeting via a toll-free teleconference. For details, please call the NRC meeting contact.

Webinar: Interested members of the public can participate in this meeting via Webinar. For details, please call the NRC meeting contact.

Docket No: 04038417

Comments: This is a meeting in which attendees will have an opportunity to observe the NRC performing its regulatory function or discussing regulatory issues. Attendees will have an opportunity to ask questions of the NRC staff or make comments about the issues discussed following the business portion of the meeting; however, the NRC is not actively soliciting comments towards regulatory decisions at this meeting.

If you need a reasonable accommodation due to a disability to participate in this meeting or need meeting materials in another format (e.g. braille, large print), please email [Reasonable\\_Accommodations.Resource@nrc.gov](mailto:Reasonable_Accommodations.Resource@nrc.gov). Determinations on requests for reasonable accommodation will be made on a case-by-case basis and the agency may choose between which effective accommodations to provide. At least ten (10) days advance notice is recommended in order for a request to be processed and implemented if approved. However, every effort will be made to address any reasonable accommodations requests received with less notice.

If you have difficulty understanding and/or communicating in English, free language assistance or other aids and services may be available, upon request. Please email [lepresources@nrc.gov](mailto:lepresources@nrc.gov). Determinations on requests will be made on a case-by-case basis. At least ten (10) days advance notice is recommended in order for a request to be processed and implemented if approved. However, every effort will be made to address any reasonable accommodations requests received with less notice.
