

PUBLIC MEETING ANNOUNCEMENT

Title: Advanced Reactor Construction Oversight Process (ARCOP) Workshop #5, Safety Culture Assessment

Date(s) and Time(s): December 10, 2024, 02:00 PM to 04:00 PM ET

Location: Webinar

Category: This is a Comment-Gathering Meeting. The purpose of this meeting is for NRC staff to meet directly with individuals to receive comments from participants on specific NRC decisions and actions to ensure that NRC staff understands their views and concerns.

Purpose: The purpose of this virtual workshop is to engage stakeholders for input on guidance development for assessing safety culture in support of the ARCOP, including a presentation on previous safety culture assessment during construction and exploring options for ARCOP application. The feedback collected during the workshop discussions will be considered for preparation of inspection guidance.

If you need a reasonable accommodation due to a disability to participate in this meeting or need meeting materials in another format (e.g. braille, large print), please email Reasonable_Accommodations.Resource@nrc.gov. Determinations on requests for reasonable accommodation will be made on a case-by-case basis and the agency may choose between which effective accommodations to provide. At least ten (10) days advance notice is recommended in order for a request to be processed and implemented if approved. However, every effort will be made to address any reasonable accommodations requests received with less notice.

If you have difficulty understanding and/or communicating in English, free language assistance or other aids and services may be available, upon request. Please email lepresources@nrc.gov. Determinations on requests will be made on a case-by-case basis. At least ten (10) days advance notice is recommended in order for a request to be processed and implemented if approved. However, every effort will be made to address any reasonable accommodations requests received with less notice.
