Title: Hybrid Public Meeting with the U.S. Nuclear Regulatory Commission Staff and Holtec Decommissioning International (HDI) Representatives to discuss primary coolant system leak-before-break and steam generator sleeving for Palisades Nuclear Plant

Date(s) and Time(s): January 14, 2025, 01:00 PM to 03:30 PM ET

Location: NRC One White Flint North, HQ-OWFN-01F23  
11555 Rockville Pike  
Rockville, MD

Category: This is an Observation Meeting. This is a meeting in which attendees will have an opportunity to observe the NRC performing its regulatory function or discussing regulatory issues. Attendees will have an opportunity to ask questions of the NRC staff or make comments about the issues discussed following the business portion of the meeting; however, the NRC is not actively soliciting comments towards regulatory decisions at this meeting.

Purpose: The purpose of this meeting is for Holtec Decommissioning International (HDI) representatives to discuss with the U.S. Nuclear Regulatory Commission (NRC) staff their plans to submit separate license amendment requests related to primary coolant system leak-before-break and steam generator sleeving for the Palisades Nuclear Plant.

Please note that a portion of this meeting will be closed to the public as the material that will be discussed contains proprietary information in accordance with Title 10 of the Code of Federal Regulations 2.390.

Comments: This meeting is hybrid (in-person & virtual). Please register in advance of the meeting by clicking on the link provided. The link will take you to a new page where you will be asked to provide registration information including an email address, so that the system can send the Microsoft Teams link for the meeting. We ask that you do this in advance (at least 30 minutes) to provide the system time to send the link before the meeting starts. Due to the federal government closing on January 9, 2025, this meeting was rescheduled.

If you need a reasonable accommodation due to a disability to participate in this meeting or need meeting materials in another format (e.g. braille, large print), please email [Reasonable\\_Accommodations.Resource@nrc.gov](mailto:Reasonable_Accommodations.Resource@nrc.gov). Determinations on requests for reasonable accommodation will be made on a case-by-case basis and the agency may choose between which effective accommodations to provide. At least ten (10) days advance notice is recommended in order for a request to be processed and implemented if approved. However, every effort will be made to address any reasonable accommodations requests received with less notice.

If you have difficulty understanding and/or communicating in English, free language assistance or other aids and services may be available, upon request. Please email [lepresources@nrc.gov](mailto:lepresources@nrc.gov). Determinations on requests will be made on a case-by-case basis. At least ten (10) days advance notice is recommended in order for a request to be processed and implemented if approved. However, every effort will be made to address any reasonable accommodations requests received with less notice.
