Title: Meeting with Tennessee Valley Authority to Discuss Changes to Organization and Impacts on the Nuclear Quality Assurance Program Under Review

Date(s) and Time(s): February 13, 2025, 02:30 PM to 03:30 PM ET

Location: Teleconference

Category: This is an Observation Meeting. This is a meeting in which attendees will have an opportunity to observe the NRC performing its regulatory function or discussing regulatory issues. Attendees will have an opportunity to ask questions of the NRC staff or make comments about the issues discussed following the business portion of the meeting; however, the NRC is not actively soliciting comments towards regulatory decisions at this meeting.

Purpose: The purpose of the meeting between the U.S. Nuclear Regulatory Commission (NRC) and the Tennessee Valley Authority (TVA) is to discuss the recent TVA organization changes and their impact on the proposed changes to the TVA Nuclear Quality Assurance Program request currently under NRC review.

Comments: Interested members of the public can participate in the meeting via Microsoft Teams or

please call the NRC meeting contact listed on the NRC Public Meeting Schedule.

If you need a reasonable accommodation due to a disability to participate in this meeting or need meeting materials in another format (e.g. braille, large print), please email Reasonable_Accommodations.Resource@nrc.gov. Determinations on requests for reasonable accommodation will be made on a case-by-case basis and the agency may choose between which effective accommodations to provide. At least ten (10) days advance notice is recommended in order for a request to be processed and implemented if approved. However, every effort will be made to address any reasonable accommodations requests received with less notice.

If you have difficulty understanding and/or communicating in English, free language assistance or other aids and services may be available, upon request. Please email lepresources@nrc.gov. Determinations on requests will be made on a case-by-case basis. At least ten (10) days advance notice is recommended in order for a request to be processed and implemented if approved. However, every effort will be made to address any reasonable accommodations requests received with less notice.
