

PUBLIC MEETING ANNOUNCEMENT

Title: Abandoned Uranium Mine Waste Remediation Guidance Development

Date(s) and Time(s): February 27, 2025, 03:00 PM to 05:00 PM ET

Location: Teleconference

Category: This is an Information Meeting with a Question and Answer Session. The purpose of this meeting is for the NRC staff to meet directly with individuals to discuss regulatory and technical issues. Attendees will have an opportunity to ask questions of the NRC staff or make comments about the issues discussed throughout the meeting; however, the NRC is not actively soliciting comments towards regulatory decisions at this meeting.

Purpose: The purpose of this meeting is to discuss and seek feedback on the NRC's review and implementation plan for SRM-SECY-23-0055, "Options for Licensing Emerging Technologies Used for Remediation of Mine Waste." This meeting will discuss the Commission's direction contained in SRM-SECY-23-0055 to develop guidance for remediation of abandoned uranium mines using a service provider licensing framework. In this meeting, the working group will discuss: (1) proposed definitions including an updated definition of "ore" and (2) considerations for licensing abandoned uranium mine waste remediation using the service provider framework.

If you need a reasonable accommodation due to a disability to participate in this meeting or need meeting materials in another format (e.g. braille, large print), please email Reasonable_Accommodations.Resource@nrc.gov. Determinations on requests for reasonable accommodation will be made on a case-by-case basis and the agency may choose between which effective accommodations to provide. At least ten (10) days advance notice is recommended in order for a request to be processed and implemented if approved. However, every effort will be made to address any reasonable accommodations requests received with less notice.

If you have difficulty understanding and/or communicating in English, free language assistance or other aids and services may be available, upon request. Please email lepresources@nrc.gov. Determinations on requests will be made on a case-by-case basis. At least ten (10) days advance notice is recommended in order for a request to be processed and implemented if approved. However, every effort will be made to address any reasonable accommodations requests received with less notice.
