Title: NRC Virtual Public Preapplication Meeting with the Pressurized Water Reactor Owners Group on Supplement 1 to Topical Report WCAP-15987, "Technical Basis for the Embedded Flaw Process for Repair of Reactor Vessel Head Penetrations"

Date(s) and Time(s): April 03, 2025, 01:00 PM to 03:30 PM ET

Location: Teleconference

Category: This is an Observation Meeting. This is a meeting in which attendees will have an opportunity to observe the NRC performing its regulatory function or discussing regulatory issues. Attendees will have an opportunity to ask questions of the NRC staff or make comments about the issues discussed following the business portion of the meeting; however, the NRC is not actively soliciting comments towards regulatory decisions at this meeting.

Purpose: The purpose of this preapplication meeting between the Pressurized Water Reactor Owners Group (PWROG, the vendor) and the U.S. Nuclear Regulatory Commission (NRC) staff is to have a robust discussion on the proposed application of the supplement to the topical report.

Comments: Interested members of the public can participate in the meeting via Microsoft Teams by computer or by phone. The MS Teams link and phone number are listed above. For additional details, please contact the NRC meeting coordinator who listed on the NRC Public Meeting Schedule.

If you need a reasonable accommodation due to a disability to participate in this meeting or need meeting materials in another format (e.g. braille, large print), please email Reasonable_Accommodations.Resource@nrc.gov. Determinations on requests for reasonable accommodation will be made on a case-by-case basis and the agency may choose between which effective accommodations to provide. At least ten (10) days advance notice is recommended in order for a request to be processed and implemented if approved. However, every effort will be made to address any reasonable accommodations requests received with less notice.

If you have difficulty understanding and/or communicating in English, free language assistance or other aids and services may be available, upon request. Please email lepresources@nrc.gov. Determinations on requests will be made on a case-by-case basis. At least ten (10) days advance notice is recommended in order for a request to be processed and implemented if approved. However, every effort will be made to address any reasonable accommodations requests received with less notice.
