Title: Meeting to Discuss the Nuclear Regulatory Commission's (NRC) 2024 Annual Assessment of Safety Performance at the Grand Gulf Nuclear Station

Date(s) and Time(s): April 07, 2025, 05:30 PM to 00:00 AM CT

Location: Port Gibson City Hall
1005 College Street
Port Gibson, MS

Category: This is an Information Meeting with a Question and Answer Session. The purpose of this meeting is for the NRC staff to meet directly with individuals to discuss regulatory and technical issues. Attendees will have an opportunity to ask questions of the NRC staff or make comments about the issues discussed throughout the meeting; however, the NRC is not actively soliciting comments towards regulatory decisions at this meeting.

Purpose: The NRC will present and be available to discuss its assessment of safety performance at Grand Gulf Nuclear Station during calendar year 2024, as described in the attached 2024 annual assessment letter. NRC resident inspectors will be available to answer questions about the safety performance of the station and the NRC's role in ensuring safe plant operations.
