

## PUBLIC MEETING ANNOUNCEMENT

**Title:** Pre-submittal Meeting on the Kairos Power LLC Operator Training and Testing Program Topical Report and Proposed Exemption

**Date(s) and Time(s):** April 16, 2025, 03:00 PM to 05:00 PM ET

**Location:** Teleconference

**Category:** This is an Observation Meeting. This is a meeting in which attendees will have an opportunity to observe the NRC performing its regulatory function or discussing regulatory issues. Attendees will have an opportunity to ask questions of the NRC staff or make comments about the issues discussed following the business portion of the meeting; however, the NRC is not actively soliciting comments towards regulatory decisions at this meeting.

**Purpose:** The purpose of this meeting is to discuss Kairos Power LLC's forthcoming topical report on the operator training and testing program and the exemptions necessary to apply the topical report. Approval of the topical report and granting of the exemption(s) will allow Kairos to administer their own reactor operator licensing exams for Hermes 1 and Hermes 2 reactor operators instead of the NRC performing that task.
