Title: Meeting to Discuss the Nuclear Regulatory Commission's (NRC) 2024 Annual Assessment of Safety Performance at the Columbia Generating Station with the Richland City Council

Date(s) and Time(s): May 06, 2025, 06:00 PM to 07:00 PM PT

Location: Richland City Hall
625 Swift Boulevard
Richland, WA

Category: This is an Information Meeting with a Question and Answer Session. The purpose of this meeting is for the NRC staff to meet directly with individuals to discuss regulatory and technical issues. Attendees will have an opportunity to ask questions of the NRC staff or make comments about the issues discussed throughout the meeting; however, the NRC is not actively soliciting comments towards regulatory decisions at this meeting.

Purpose: Members of the NRC staff will present the NRC's assessment of safety performance at Columbia Generating Station for 2024, as described in the 2024 annual assessment letter. The staff will make this presentation at a meeting of the City Council of Richland, Washington. The NRC staff will be available to respond to questions from the public about the safety performance of the station and the role of NRC and the resident inspectors in ensuring safe plant operations outside of the City Council meeting.
