

PUBLIC MEETING ANNOUNCEMENT

Title: Afternoon Public Outreach Meeting on the U.S. Nuclear Regulatory Commission's (NRC's) Review Process of Tennessee Valley Authority's (TVA's) Construction Permit Application, Clinch River Nuclear Site, Oak Ridge, Tennessee

Date(s) and Time(s): May 06, 2025, 01:00 PM to 04:00 PM ET

Location: Pollard Technology Conference Center, Auditorium
Pollard Tech Conference Center
Oak Ridge, TN

Category: This is a Open meeting. Public participation is actively sought for this meeting to fully engage the public in a discussion of regulatory issues.

Purpose: To describe the agency's safety and environmental review processes for TVA's construction permit application and opportunities for public participation and comment during the application review. There will be 30-minute open house sessions ahead of this presentation for the public and other interested stakeholders to talk with NRC staff. There will also be time for question-and-answer sessions after the presentation.

Contact:	Allen Fetter	Madelyn Nagel	Sean Gallagher
	301-415-8556		
	allen.fetter@nrc.gov	madelyn.nagel@nrc.gov	sean.gallagher@nrc.gov

Participants:	<u>NRC</u>	<u>External</u>
	Office of Nuclear Reactor Regulation	Ray Schiele, Tennessee Valley Authority

If you need a reasonable accommodation due to a disability to participate in this meeting or need meeting materials in another format (e.g. braille, large print), please email Reasonable_Accommodations.Resource@nrc.gov. Determinations on requests for reasonable accommodation will be made on a case-by-case basis and the agency may choose between which effective accommodations to provide. At least ten (10) days advance notice is recommended in order for a request to be processed and implemented if approved. However, every effort will be made to address any reasonable accommodations requests received with less notice.

If you have difficulty understanding and/or communicating in English, free language assistance or other aids and services may be available, upon request. Please email lepresources@nrc.gov. Determinations on requests will be made on a case-by-case basis. At least ten (10) days advance notice is recommended in order for a request to be processed and implemented if approved. However, every effort will be made to address any reasonable accommodations requests received with less notice.
