

PUBLIC MEETING ANNOUNCEMENT

Title: 50th Anniversary of the Browns Ferry Fire of 1975 - The Role of Research in the Evolution of Nuclear Fire Safety

Date(s) and Time(s): July 15, 2025, 01:00 PM to 04:30 PM ET

Location: NRC Two White Flint North, P2 Auditorium
11545 Rockville Pike
Rockville, MD

Category: This is an Information Meeting with a Question and Answer Session. The purpose of this meeting is for the NRC staff to meet directly with individuals to discuss regulatory and technical issues. Attendees will have an opportunity to ask questions of the NRC staff or make comments about the issues discussed throughout the meeting; however, the NRC is not actively soliciting comments towards regulatory decisions at this meeting.

Purpose: This is a public seminar to provide a high-level overview of the Browns Ferry fire of 1975 and its impact on the evolution of nuclear fire safety over the following decades.

Contact: Kenneth Hamburger

Comments: This seminar is open to the public. This meeting is being hosted as a hybrid meeting with both on-site and remote participation available. Non-NRC employees who wish to participate in person must e-mail kenneth.hamburger@nrc.gov to make arrangements to be admitted to NRC facilities. The deadline for in-person registration is July 1, 2025.

If you need a reasonable accommodation due to a disability to participate in this meeting or need meeting materials in another format (e.g. braille, large print), please email Reasonable_Accommodations.Resource@nrc.gov. Determinations on requests for reasonable accommodation will be made on a case-by-case basis and the agency may choose between which effective accommodations to provide. At least ten (10) days advance notice is recommended in order for a request to be processed and implemented if approved. However, every effort will be made to address any reasonable accommodations requests received with less notice.

If you have difficulty understanding and/or communicating in English, free language assistance or other aids and services may be available, upon request. Please email lepresources@nrc.gov. Determinations on requests will be made on a case-by-case basis. At least ten (10) days advance notice is recommended in order for a request to be processed and implemented if approved. However, every effort will be made to address any reasonable accommodations requests received with less notice.
