Title: Public Outreach Meeting to Discuss the Nuclear Regulatory Commission's (NRC) 2024 Annual Assessment of Safety Performance at River Bend Station

Date(s) and Time(s): May 27, 2025, 05:30 PM to 06:30 PM CT

Location: St. Francisville Town Hall, Town Hall Meeting Room  
11936 Ferdinand St.  
St. Francisville, LA

Category: This is an Observation Meeting. This is a meeting in which attendees will have an opportunity to observe the NRC performing its regulatory function or discussing regulatory issues. Attendees will have an opportunity to ask questions of the NRC staff or make comments about the issues discussed following the business portion of the meeting; however, the NRC is not actively soliciting comments towards regulatory decisions at this meeting.

Purpose: The NRC will discuss its safety performance at River Bend Station during calendar year 2024, as described in the attached 2024 annual assessment letter. The presentation will be given during a St. Francisville Town Council meeting. NRC staff will be available after the presentation to answer questions from the public about the safety performance of the station and the NRC's role in ensuring safe plant operations.
