Title: James A. FitzPatrick Nuclear Power Plant - Pre-Submittal Meeting for Proposed License Amendment Request regarding Main Steam Tunnel Area Temperature High Function

Date(s) and Time(s): May 21, 2025, 02:00 PM to 03:00 PM ET

Location: Webinar

Category: This is an Observation Meeting. This is a meeting in which attendees will have an opportunity to observe the NRC performing its regulatory function or discussing regulatory issues. Attendees will have an opportunity to ask questions of the NRC staff or make comments about the issues discussed following the business portion of the meeting; however, the NRC is not actively soliciting comments towards regulatory decisions at this meeting.

Purpose: The purpose of the meeting is to discuss Constellation Energy Generation, LLC's (CEG's) planned license amendment request proposing the elimination of the required automatic main steam line isolation on Main Steam Tunnel Area Temperature – High, replacing it with a new technical specification that will monitor Main Steam Tunnel Area Temperature and take appropriate actions based on the cause of the elevated temperature.

Docket No: 05000333

If you need a reasonable accommodation due to a disability to participate in this meeting or need meeting materials in another format (e.g. braille, large print), please email Reasonable_Accommodations.Resource@nrc.gov. Determinations on requests for reasonable accommodation will be made on a case-by-case basis and the agency may choose between which effective accommodations to provide. At least ten (10) days advance notice is recommended in order for a request to be processed and implemented if approved. However, every effort will be made to address any reasonable accommodations requests received with less notice.

If you have difficulty understanding and/or communicating in English, free language assistance or other aids and services may be available, upon request. Please email lepresources@nrc.gov. Determinations on requests will be made on a case-by-case basis. At least ten (10) days advance notice is recommended in order for a request to be processed and implemented if approved. However, every effort will be made to address any reasonable accommodations requests received with less notice.
