

PUBLIC MEETING ANNOUNCEMENT

Title: The NRC Standards Forum: Codes and Standards for Nuclear Energy Applications: Emerging Trends

Date(s) and Time(s): September 25, 2025, 10:00 AM to 04:00 PM ET

Location: Webinar

Category: This is a Open meeting. Public participation is actively sought for this meeting to fully engage the public in a discussion of regulatory issues.

Purpose: This is the first of two meetings for the 2025 NRC Standards Forum. This meeting will discuss the current state of codes and standards (C&S) and capture stakeholder perspectives to discuss in more detail during the second meeting. The Forum aims at facilitating strategic discussions on Emerging Trends in C&S developments to facilitate innovative advances in nuclear energy technologies. The Forum is an interactive meeting that engages a variety of stakeholders, such as standards development organizations (e.g. ACI, AISC, ANS, ASCE, ASME, IEEE, etc.), industry representatives, international regulators, research organizations, academia, the general public, and NRC staff.
