PUBLIC MEETING ANNOUNCEMENT

Title: Second Annual Artificial Intelligence Symposium: Moving Data and AI into Practice

Date(s) and Time(s): March 12, 2026, 01:00 PM to 05:00 PM ET

Location: NRC Two White Flint North, Auditorium and Virtual
                          11555 Rockville Pike
                          Rockville, MD

Category: This is an Information Meeting with a Question and Answer Session. The purpose of this meeting is for the NRC staff to meet directly with individuals to discuss regulatory and technical issues. Attendees will have an opportunity to ask questions of the NRC staff or make comments about the issues discussed throughout the meeting; however, the NRC is not actively soliciting comments towards regulatory decisions at this meeting.

Purpose: The Moving Data and AI into Practice symposium will bring together AI leaders at the U.S. NRC, nuclear industry, academia, and interested stakeholders to share practical experiences surrounding AI usage in nuclear applications. The symposium will showcase how emerging data and AI capabilities are being translated into operational use, strengthening regulatory decision-making, improving efficiency, and supporting safety and transparency. This symposium aims to support shared understanding and solicit feedback to inform future regulatory approaches as AI continues to evolve within the nuclear landscape.
