

PUBLIC MEETING ANNOUNCEMENT

Title: Notice of Meeting with ARC Clean Technology, Inc.

Date(s) and Time(s): February 18, 2026, 09:00 AM to 12:30 PM ET

Location: Hybrid

Category: This is a Open meeting. Public participation is actively sought for this meeting to fully engage the public in a discussion of regulatory issues.

Purpose: The U.S. Nuclear Regulatory Commission (NRC) staff will hold a meeting with representatives from ARC Clean Technology (ARC) to discuss the seismic isolation technical topics pertaining to the ARC-100 sodium-cooled fast reactor design. During this meeting, ARC will present information and engage with NRC staff on key technical aspects of the design to support preapplication discussions.

Docket No: 99902103

Comments: Topic times are estimated and depending on the participation level, the meeting could adjourn earlier than posted.

If you need a reasonable accommodation due to a disability to participate in this meeting or need meeting materials in another format (e.g. braille, large print), please email Reasonable_Accommodations.Resource@nrc.gov. Determinations on requests for reasonable accommodation will be made on a case-by-case basis and the agency may choose between which effective accommodations to provide. At least ten (10) days advance notice is recommended in order for a request to be processed and implemented if approved. However, every effort will be made to address any reasonable accommodations requests received with less notice.

If you have difficulty understanding and/or communicating in English, free language assistance or other aids and services may be available, upon request. Please email lepresources@nrc.gov. Determinations on requests will be made on a case-by-case basis. At least ten (10) days advance notice is recommended in order for a request to be processed and implemented if approved. However, every effort will be made to address any reasonable accommodations requests received with less notice.
