Title: Pre-Application Closed Meeting with Hexium

Date(s) and Time(s): February 17, 2026, 10:00 AM to 11:30 AM ET

Location: Hybrid

Category: This is a Closed meeting. Contains trade secrets and commercial or financial information (proprietary information).

Purpose: Hexium has requested this closed meeting with the U.S. Nuclear Regulatory Commission (NRC) staff to discuss various proprietary topics including Atomic Vapor Laser Isotope Separation (AVLIS) technology, Integrated Safety Analysis (ISA) methodology and safety approach, environmental approach, and regulatory roadmap for its proposed facility.

Contact:	James Downs	Robert Mathis
	301-415-7744	301-287-9110
	James.Downs@nrc.gov	Robert.Mathis@nrc.gov

Participants: NRC
NRC Staff

Docket No: 07007044

If you need a reasonable accommodation due to a disability to participate in this meeting or need meeting materials in another format (e.g. braille, large print), please email Reasonable_Accommodations.Resource@nrc.gov. Determinations on requests for reasonable accommodation will be made on a case-by-case basis and the agency may choose between which effective accommodations to provide. At least ten (10) days advance notice is recommended in order for a request to be processed and implemented if approved. However, every effort will be made to address any reasonable accommodations requests received with less notice.

If you have difficulty understanding and/or communicating in English, free language assistance or other aids and services may be available, upon request. Please email lepresources@nrc.gov. Determinations on requests will be made on a case-by-case basis. At least ten (10) days advance notice is recommended in order for a request to be processed and implemented if approved. However, every effort will be made to address any reasonable accommodations requests received with less notice.
