Title: Public Outreach Meeting to Discuss the U.S. Nuclear Regulatory Commission's (NRC's) 2025 Annual Assessment of Safety Performance at Columbia Generating Station

Date(s) and Time(s): June 27, 2026, 09:00 AM to 03:00 PM PT

Location: Uptown Plaza (Cool Desert Nights)  
1317 George Washington Way  
Richland, WA

Category: This is an Information Meeting with a Question and Answer Session. The purpose of this meeting is for the NRC staff to meet directly with individuals to discuss regulatory and technical issues. Attendees will have an opportunity to ask questions of the NRC staff or make comments about the issues discussed throughout the meeting; however, the NRC is not actively soliciting comments towards regulatory decisions at this meeting.

Purpose: This is an informal outreach meeting to discuss Columbia Generating Station's safety performance for calendar year 2025, as described in the attached 2025 annual assessment letter. The NRC staff will be available to respond to questions from the public about the safety performance of the station, and the role of NRC and the resident inspectors in ensuring safe plant operations.
