Title: Pre-Application Meeting with Constellation Energy Generation, LLC, (Constellation) Regarding Drift Analysis Report Methodology

Date(s) and Time(s): April 27, 2026, 11:00 AM to 12:00 PM ET

Location: Webinar

Category: This is an Observation Meeting. This is a meeting in which attendees will have an opportunity to observe the NRC performing its regulatory function or discussing regulatory issues. Attendees will have an opportunity to ask questions of the NRC staff or make comments about the issues discussed following the business portion of the meeting; however, the NRC is not actively soliciting comments towards regulatory decisions at this meeting.

Purpose: The purpose of the meeting between the U.S. Nuclear Regulatory Commission (NRC) and Constellation Energy Generation, LLC (Constellation) is to discuss using an alternative method for instrument drift analysis than that outlined in Electrical Power Research Instrument (EPRI) Technical Report 3002002556, Revision 2, "Guidelines for Instrument Calibration Extension/Reduction," for various license amendments supporting Braidwood and Byron transitioning to a 24-Month Fuel Cycle.

If you need a reasonable accommodation due to a disability to participate in this meeting or need meeting materials in another format (e.g. braille, large print), please email Reasonable_Accommodations.Resource@nrc.gov. Determinations on requests for reasonable accommodation will be made on a case-by-case basis and the agency may choose between which effective accommodations to provide. At least ten (10) days advance notice is recommended in order for a request to be processed and implemented if approved. However, every effort will be made to address any reasonable accommodations requests received with less notice.

If you have difficulty understanding and/or communicating in English, free language assistance or other aids and services may be available, upon request. Please email lepresources@nrc.gov. Determinations on requests will be made on a case-by-case basis. At least ten (10) days advance notice is recommended in order for a request to be processed and implemented if approved. However, every effort will be made to address any reasonable accommodations requests received with less notice.

PUBLIC MEETING AGENDA

Pre-Application Meeting with Constellation Energy Generation, LLC, (Constellation) Regarding Drift Analysis Report Methodology

April 27, 2026, 11:00 AM to 12:00 PM ET

Webinar

<i>Time</i>	<i>Topic</i>	<i>Speaker</i>
11:00 am - 11:10 am	Introductions	NRC/Constellation
