

UNITED STATES  
NUCLEAR REGULATORY COMMISSION  
WASHINGTON, D.C. 20555-0001

November 8, 1999

Dear Addressee:

On April 29, 1999, the U.S. Nuclear Regulatory Commission (NRC), U.S. Bureau of Land Management (BLM), and U.S. Bureau of Indian Affairs (BIA) held public scoping meetings in Salt Lake City, and Tooele, Utah, on certain aspects of the environmental impact statement (EIS) for the independent spent fuel storage installation facility (ISFSI) proposed by Private Fuel Storage, L.L.C. A number of interested parties attended the scoping meetings and provided comments. In addition to comments received at the meetings, interested parties also provided written comments to the NRC, BLM, and BIA. The enclosed Scoping Report summarizes the comments received and supplements the NRC's September 1998 scoping report, which summarizes comments received during the 1998 scoping process for the proposed ISFSI. This Supplemental Scoping Report was coordinated with BLM and BIA.

The public scoping process is a valuable and fundamentally important part in the preparation of any EIS. The participation provided during the scoping process for this proposed project is appreciated and will assist the NRC, BLM, and BIA in the preparation of the EIS. This Supplemental Scoping Report is being provided to all individuals who attended one of the April 29, 1999, meetings and provided a mailing address. The 1998 Scoping Report and the enclosed Supplemental Scoping Report are both available for public inspection at the NRC's Public Document Room in the Gelman Building, 2120 L Street, NW Washington, DC 20555. The Supplemental Scoping Report can also be obtained from the BLM's field office (2370 South 2300 West, Salt Lake City, Utah 84119) and BIA's offices (988 South 7500 East, Fort Duchesne, Utah 84026 or 400 North 5<sup>th</sup> Street, Phoenix, Arizona 85004).

Sincerely,

A handwritten signature in dark ink, appearing to read "E. William Brach".

E. William Brach, Director  
Spent Fuel Project Office  
Office of Nuclear Material Safety  
and Safeguards
