

## PUBLIC MEETING ANNOUNCEMENT

**Title:** Pre-License amendment application submission meeting with NRC staff to discuss the U.S. Army's approach to add the remaining sites containing depleted uranium from Davy Crockett munitions to Source Materials License No. SUC-1593

**Date(s) and Time(s):** March 24, 2015, 11:00 AM to 05:15 PM

**Location:** NRC Two White Flint North, 8A01  
11545 Rockville Pike  
Rockville, MD

**Category:** This is a Category 1 meeting. The public is invited to observe this meeting and will have one or more opportunities to communicate with the NRC after the business portion of the meeting but before the meeting is adjourned.

**Purpose:** The U.S. Army (Army) requested to meet with the U.S. Nuclear Regulatory Commission (NRC) staff for a pre-license amendment application submission meeting to discuss various topics related to the Army's approach to add the remaining sites containing depleted uranium from the Davy Crockett munitions to Source Materials License No. SUC-1593 in accordance with License Condition No. 12. The Army intends to use the Programmatic Approach to licensing for this amendment and also intends to include the sites located at the Schofield Barracks, HI and the Pohakuloa Training Area, HI. The NRC staff is prepared to answer questions related to this topic at this meeting. The NRC staff understands that the Army intends to provide drafts of specific portions of its license amendment application for discussion. All handouts and specific portions of the Army's draft license amendment application that the Army plans to discuss at this meeting will be added to the public meeting announcement in advance of this meeting
