Title: Be riskSMART: Accepting Well-Managed Risk

Date(s) and Time(s): February 10, 2020, 01:00 PM to 03:00 PM

Location: NRC One White Flint North, Commission Hearing Room  
11555 Rockville Pike  
Rockville, MD

Category: This is a Category 3 meeting. Public participation is actively sought for this meeting to fully engage the public in a discussion of regulatory issues.

Purpose: As part of the OEDO transformation activities, an NRC working group was tasked with developing a framework that will give the staff greater confidence in identifying and accepting well-managed risk for all NRC decisions, both technical and corporate.

The working group has developed the framework Be riskSMART, which includes five steps for identifying and accepting well-managed risk: 1. SPOT what can go wrong or right, what are the consequences, and how likely it is; 2. MANAGE what you can; 3. ACT on a decision; 4. REALIZE the result; and 5. TEACH others what you learned.

The purpose of this meeting is for the NRC working group to present the Be riskSMART framework and obtain feedback from external stakeholders.
