Title: NRC Standards Forum

Date(s) and Time(s): October 13, 2020, 09:00 AM to 05:00 PM

Location: Webinar

Category: This is a Category 3 meeting. Public participation is actively sought for this meeting to fully engage the public in a discussion of regulatory issues.

Purpose: The NRC Standards Forum aims to facilitate the identification of needed standards within the nuclear industry that are currently not being addressed by SDOs and explore how to collaborate to accelerate their development; identify process improvements to ensure effective and timely standards development; exchange information across disciplines and stakeholders regarding standards for nuclear facilities; and encourage and provide an opportunity for engagement and networking amongst the standards development community.
